# WELCOME!

On behalf of Newark High School, the Newark Department of Athletics and the Pride of Newark Marching Band, welcome to the 40th Annual Newark Marching Band Invitational! We are pleased to present this wonderful showcase of bands and hope you enjoy your experience here this afternoon.

It has been a great pleasure to prepare this event, and could not be possible without the efforts and time of our dedicated Band Parents. Their love of bands, children and music could not be more evident.

We would also like to thank all of the parents today from all of the performing groups. Without your support and dedication to your children and these programs, none of the performances here today would be possible.

We hope that the Newark Marching Band Invitational will prove to be a very positive musical experience in the lives of the students performing today. We wish each band good luck and we thank these student musicians for sharing their talents with us this afternoon.

Welcome to White Field and please enjoy your afternoon!

# ABOUT OMEA MARCHING BAND ADJUDICATED EVENTS

## RATING AND SCORING

State Finals Qualifying ratings will be determined as follows:

The ratings of the two Music, Visual Performance, Visual Effect and two General Effect judges will be used in determining the final rating of the band. In addition, the Percussion judge and each music judge will rate the percussion section and combine their scores. The ratings of these seven judges will be converted to a final overall rating by using the following chart:

### OMEA MARCHING BAND RATING SYSTEM

I	Superior	7-10	total points
II	Excellent	11-17	total points
III	Good	18-24	total points
IV	Fair	25-31	total points
V	Poor	32-35	total points

## CLASSIFICATION

Classification for an Ohio Music Education Association (OMEA) Marching Band Competition is based on school size. A band has the option to enter a higher class, but not a lower one. The following classifications will be used with regard to students in grades 10-12:

Class C: 300 and Fewer

Class B: 301 - 500

## ADJUDICATORS

Nine judges will critique the band's performance in the following areas:

- Music (2):** Two judges rating only the musical aspects of the group.
- Percussion:** One judge (on the field) rating what the percussion section does and how it relates to the musical ensemble.
- Visual Performance:** One judge rating the total movement of the individual performers and the ensemble.
- Visual Effect:** One judge rating the visual content of the program as how the performers realize the written content.
- General Effect (2):** Two judges rating the band on the entire show package including music, marching, auxiliary and percussion contribution.
